RENAISSANCE ENTERPRISES
Annual Report 2017

Dear Friends:

We submit this annual report with deepest gratitude for all of your prayers, support belief in the mission of Renaissance Enterprises to bring high quality arts and music programs to our institutionalized senior's throughout West Michigan and beyond!

In 2017:

We were able to sponsor almost 120 free enrichment programs in area nursing homes, senior apartment complexes, senior centers and other related care facilities where people have little joy and not much to look forward to on a regular basis.

We increased our roster of artists, artisans and performers in the Berrien County regions to provide programs in those areas.

Some of the new artists in Berrien County include: Carl Emroy. Larry F Johnson, Mike Johnson and others and some new performers in Kalamazoo County as well. Shane Grainger and others.

Some of the participating facilities include: Alamo Nursing Home, Upjohn Nursing Home, Friendship Village, New Friends Memory Care, Oakland Drive Adult Daycare, Park Place Living, The Laurel's of Galesburg, Whitcomb Hotel, Pine Ridge, and many others.

In 2017 we scored high enough in our funding request from Michigan Council for the Arts And Cultural Affairs to qualify for automatic re-funding through 2019.
